Safeguarding Children and Vulnerable Adults

Milton Keynes BMX Racing Club has a fundamental commitment to safeguard and protect children and vulnerable adults in cycling.

We are working to improve policies, procedures, and practises to ensure a safe and enjoyable experience of children, young people and vulnerable adults in cycling.

Everyone who participates in cycling is entitled to do so in a safe and enjoyable environment.

We take every step to ensure everyone whatever their age, culture, disability, gender, language, racial origin, religious belief and/or sexual identity to participate in cycling in a fun and safe environment.

We take all reasonable steps to protect individuals from harm, discrimination, and degrading treatment and to respect their rights, wishes and feelings.

Allegations of poor practise, drug use, equality issues and where possible child abuse should be reported to the Club Welfare Officers (CWO)

Karis Pattinson and Carolanne Sneddon.
